# High Knurled Nuts • DIN 466

# 24780.0100

# **Product Description**

Knurled nuts are very versatile. Three material versions for the different requirements

- Steel, blackened
- Steel, zinc-plated by galvanization
- · Stainless steel are available.

Knurled nuts can be easily tightened and released by hand. The ribbed outer surface of the nut prevents slipping when tightening / releasing with the fingers.

The high knurled nuts are manufactured according to DIN 467.

#### Material

• Steel, blackened, quality 5
