# Base Plates · V70eco

1200.500

### **Product Description**

V70eco base plates are a further development of the established V70 product line, optimized in quality and price.

They are fully compatible with the existing V70 T-slot System. Several alignment options are already included in the standard version.

- Locating holes in quality H6 and slots in quality H8.
- Alignment of the base plate on the machine table by means of locating holes and/or centering slot.
- · Fastening holes on a 100 mm pitch.
- High-strength tool steel.

Available options (delivery time approx. 10 working days):

- a) Additional mounting holes on a 63 mm pitch
- b) Additional mounting holes on a 125 mm pitch
- c) Exterior stop
- d) With connecting rings for Halder Zero-Point Clamping System

#### **Material**

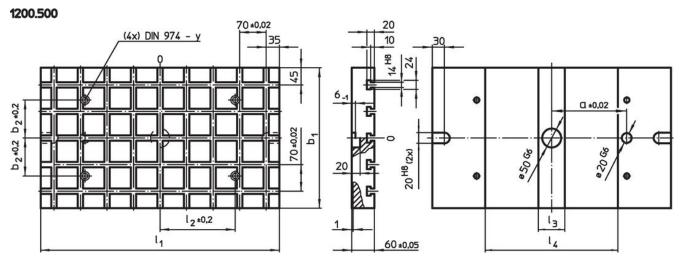

· Tool steel, high-strength
