Product Description

Offering exactly what the name suggests, this sample case provides a perfect cross-section of the soft-face mallet selection made by Halder: Aside from holding all available inserts and all three housing types of the SIMPLEX line, it contains the non-rebound hammers SUPERCRAFT and SECURAL, the entry-level hammer BASEPLEX, and the FERROPLEX Combi Hammer. But, that is not all! It also includes the magnetic holder plus one drop-mallet and one punch. Just what your field service staff needs to achieve resounding success!

Product features:

- Offers a perfect cross-section of Halder's soft-face mallet selection:
- All eight inserts, all three types of SIMPLEX housings.
- Non-rebound soft-face mallets SUPERCRAFT and SECURAL.
- Entry-level hammer BASEPLEX.
- Combi hammer FERROPLEX.
- Magnetic holder, drop-mallet and punch.
- Covers an extensive range of applications.
- Ideal for customer consultations in the field.

Application Areas

Selection of the most common soft-face mallets from different fields of application

Set, in practical case, consists of:
