

Hand axe • with leather handle, including high-quality leather belt bag as cutting protection 3555.375

Product Description

The Halder hand axe is a true feast for the eyes! The robust all-metal design made from special heat-treated steel is forged in one piece and finely ground and polished on all sides. Weighing 1,000g, the hand axe is perfectly balanced for optimum handling.

The blade is carefully hardened and ground to sharpness.

Distinguished by more than just great looks, the hand-made, anti-slip leather handle also absorbs moisture and releases it again when the work is done. Over time, it will contour to the shape of the hand.

The high-quality leather cutting protection prevents injury during transport.

Product features:

- Robust all-metal design made of special heat-treated steel.
- Finely ground and polished on all sides.
- Weight of 1,000g, perfectly balanced.
- Anti-slip leather handle contours to the shape of the hand. The leather also absorbs moisture and releases it when the work is done.
- Including leather cutting protection.

Application Areas

Splitting of smaller logs and kindling, for sharpening wooden stakes, rough carving tasks, useful outdoor tool for campers, hunters, off-roaders, etc.

Material

- Heat-treated steel, jointless forged in one piece, precision ground and polished on all sides
